MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 11 (Final Amendment and Close-Out) of Contract No. [REDACTED] with Baird-Atomic, Inc., Project IDEALIST [REDACTED]

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 6.

2. Contract No. [REDACTED] provided for the furnishing of a technical field engineer to install, maintain and service sextants [REDACTED] at places within the continental U.S. and overseas for the period 6 January 1958 through 30 June 1961. Amendment No. 11 has been drawn to provide additional funding for the period ending 30 June 1961 in order to close out the contract.

3. Additional [REDACTED] funds in the amount of \$294.47 chargeable during FY-1961 should be obligated in order to close-out the contract. This results in a final contract amount of [REDACTED]. By concurrence to this memorandum the Comptroller signifies that funds have been obligated as provided above.

4. The services and equipment being procured by this Amendment No. 11 to Contract No. [REDACTED] are in furtherance of the IDEALIST Program the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC-2122, signed by the DDCI on 15 October 1961.

5. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.
